**COMPLAINT**

This is an action by Microsoft Corporation ("Microsoft") to recover damages arising from infringement of Microsoft's copyrights and trademarks in its software and related components by Coast Networks, Inc. a California corporation also known as DK Systems and Corby Brasset, an individual ("Defendants") and to enjoin Defendants' future infringement. Defendants have infringed Microsoft's copyrights and trademarks, and violated the Lanham Act by falsely designating the origin of software, and engaged in unfair competition. Microsoft seeks damages, an accounting, the imposition of a constructive trust upon Defendants' illegal profits, and injunctive relief.

20 laws of the State of California to 28 U.S.C. § 1367(a) because these claims are so related to  
21 Microsoft's claims under federal law that they form part of the same case or controversy and  
22 derive from a common nucleus of operative fact.

**VENUE**

23  
24 6. Venue is proper in this Court pursuant to 28 U.S.C. § 1391(b) and § 1400(a)

#### **Defendants' Infringement**

12. Defendants are engaged in the advertising, marketing, and distribution of computer hardware and software, including software covered by Microsoft's registered copyrights and bearing Microsoft's registered trademarks or imitations thereof.

13. In February 2009, Defendants distributed to an investigator computer systems with infringing Windows XP Pro and Office 2003 Pro software.

14. On information and belief, this is not an isolated incident. Rather, Defendants have been and continue to be involved in advertising, marketing, installing and/or distributing infringing copies of Microsoft's software to unidentified persons or entities. On information and belief, Defendants' distributions of purported Microsoft software are the result of Defendants' advertising and marketing the availability of such materials.

1           15.     On information and belief, Defendants' wrongful conduct includes the advertising,  
2     marketing, installing, and/or distribution of "infringing materials," specifically reproductions,  
3     copies, or colorable imitations of the Microsoft copyrighted software and/or the Microsoft  
4     trademarks, logos, and service mark described in this Complaint.

5           16.     On information and belief, Defendants have committed and are continuing to  
6     commit acts of copyright and trademark infringement against Microsoft. On information and  
7     belief, at a minimum, Defendants were willfully blind and acted in reckless disregard of  
8     Microsoft's registered copyrights and marks.

9           17.     On information and belief, by their advertising activities and unauthorized use of  
10    Microsoft's marks to describe the items that they are distributing, Defendants have  
11    misappropriated Microsoft's advertising ideas and style of doing business and have infringed  
12    Microsoft's copyrights, titles, and slogans.

13          18.     On information and belief, the injuries and damages that Microsoft has sustained  
14    have been directly and proximately caused by Defendants' wrongful misappropriation of  
15    Microsoft's advertising ideas and style of doing business and infringement of Microsoft's  
16    copyrights, titles, and slogans.

17                               **First Claim**

18                               **[Copyright Infringement -- 17 U.S.C. § 501, et seq.]**

19                               **Against Defendants**

20          19.     Microsoft realleges, and incorporates by this reference, each and every allegation  
21    set forth in paragraphs 1 through 18 inclusive.

22          20.     Microsoft is the sole owner of Microsoft Windows XP Pro, Office 2003 Pro,  
23    Office Excel 2003, Office Outlook 2003, Office PowerPoint 2003, Publisher 2003, Office Word  
24    2003, Business Contact Manager for Outlook 2003, and Access 2003 and the corresponding  
25    Certificates of Registration.

26          21.     Defendants have infringed the copyrights in Microsoft's software, including but  
27    not limited to Microsoft Windows XP Pro, Office 2003 Pro, Office Excel 2003, Office Outlook  
28    2003, Office PowerPoint 2003, Publisher 2003, Office Word 2003, Business Contact Manager for

1 Outlook 2003, and Access 2003, by distributing infringing materials in the United States of  
2 America without approval or authorization from Microsoft.

3 22. Defendants' conduct has been willful within the meaning of the Copyright Act. At  
4 a minimum, Defendants acted with willful blindness to and in reckless disregard of Microsoft's  
5 registered copyrights.

6 23. As a result of the wrongful conduct, Defendants are liable to Microsoft for  
7 copyright infringement. 17 U.S.C. § 501. Microsoft has suffered damages. Microsoft has  
8 suffered, and will continue to suffer, substantial losses, including, but not limited to, damage to its  
9 business reputation and goodwill. Microsoft is entitled to recover damages, which include its  
10 losses and any and all profits Defendants have made as a result of their wrongful conduct. 17  
11 U.S.C. § 504. Alternatively, Microsoft is entitled to statutory damages under 17 U.S.C. § 504(c).

12 24. In addition, because Defendants' infringement has been willful within the meaning  
13 of the Copyright Act, the award of statutory damages should be enhanced in accordance with 17  
14 U.S.C. § 504(c)(2).

15 25. Microsoft is also entitled to injunctive relief pursuant to 17 U.S.C. § 502 and to an  
16 order impounding any and all infringing materials pursuant to 17 U.S.C. § 503. Microsoft has no  
17 adequate remedy at law for Defendants' wrongful conduct because, among other things, (a)  
18 Microsoft's copyrights are unique and valuable property which have no readily determinable  
19 market value, (b) Defendants' infringement harms Microsoft's business reputation and goodwill  
20 such that Microsoft could not be made whole by any monetary award, and (c) Defendants'  
21 wrongful conduct, and the resulting damage to Microsoft, is continuing.

22 26. Microsoft is also entitled to recover its attorneys' fees and costs of suit. 17 U.S.C.  
23 § 505.

24 **Second Claim**

25 **[Federal Trademark Infringement – 15 U.S.C. § 1114]**

26 **Against Defendants**

27 27. Microsoft realleges, and incorporates by this reference, each and every allegation  
28 set forth in paragraphs 1 through 26, inclusive.

1           28. Defendants' activities constitute infringement of Microsoft's federally registered  
2 trademarks and service mark in violation of the Lanham Trademark Act, including but not limited  
3 to 15 U.S.C. § 1114(1).

4           29. Because Microsoft has marketed, advertised, promoted, distributed, and licensed  
5 its software under the trademarks and service mark described in this Complaint, these trademarks  
6 and service mark are the means by which Microsoft's software is distinguished from those of  
7 others in the same field or related fields.

8           30. Because of Microsoft's long, continuous, and exclusive use of these trademarks  
9 and service mark, they have come to mean, and are understood by customers, end users, and the  
10 public to signify software of Microsoft.

11           31. The infringing materials that Defendants have and are continuing to use, market,  
12 offer, or distribute are likely to cause confusion, mistake, or deception as to their source, origin,  
13 or authenticity.

14           32. Further, Defendants' activities are likely to lead the public to conclude,  
15 incorrectly, that the infringing materials that Defendants are using, advertising, marketing,  
16 offering, or distributing originate with or are authorized by Microsoft, to the damage and harm of  
17 Microsoft, its licensees, and the public.

18           33. Upon information and belief, Defendants used, advertised, marketed, offered or  
19 distributed infringing material with the willful and calculated purposes of misleading, deceiving,  
20 or confusing customers and the public as to the origin and authenticity of the infringing materials  
21 and of trading upon Microsoft's goodwill and business reputation.

22           34. Defendants' conduct has been willful within the meaning of the Lanham Act. At a  
23 minimum, Defendants acted with willful blindness to and in reckless disregard of Microsoft's  
24 registered marks.

25           35. As a result of their wrongful conduct, Defendants are liable to Microsoft for  
26 trademark infringement. 15 U.S.C. § 1114(1). Microsoft has suffered, and will continue to  
27 suffer, substantial losses, including, but not limited to, damage to its business reputation and  
28 goodwill. Microsoft is entitled to recover damages, which include its losses, and any and all

1 profits Defendants have made as a result of their wrongful conduct. 15 U.S.C. § 1117(a).

2 Alternatively, Microsoft is entitled to statutory damages under 15 U.S.C. § 1117(c).

3 36. In addition, because Defendants' infringement of Microsoft's trademarks and  
4 service mark was willful, the award of actual damages and profits should be trebled pursuant to  
5 15 U.S.C. §1117(b). Alternatively, the award of statutory damages should be enhanced in  
6 accordance with 15 U.S.C. § 1117(c)(2).

7 37. Microsoft is also entitled to injunctive relief pursuant to 15 U.S.C. § 1116(a) and  
8 to an order compelling the impounding of all infringing materials being used, offered, marketed,  
9 or distributed by Defendants pursuant to 15 U.S.C. § 1116, subsections (a) and (d)(1)(A), and  
10 pursuant to 28 U.S.C. § 1651. Microsoft has no adequate remedy at law for Defendants'  
11 wrongful conduct because, among other things, (a) Microsoft's trademarks and service mark are  
12 unique and valuable property which have no readily determinable market value, (b) Defendants'  
13 infringement constitutes harm to Microsoft's business reputation and goodwill such that  
14 Microsoft could not be made whole by any monetary award, (c) if Defendants' wrongful conduct  
15 is allowed to continue, the public is likely to become further confused, mistaken, or deceived as to  
16 the source, origin or authenticity of the infringing materials, and (d) Defendants' wrongful  
17 conduct, and the resulting damage to Microsoft, is continuing.

18 38. Microsoft is also entitled to recover its attorneys' fees and costs of suit. 15 U.S.C.  
19 § 1117.

### 20 **Third Claim**

#### 21 **[False Designation Of Origin, False Description And** 22 **Representation Of Microsoft Packaging--15 U.S.C. § 1125 et seq.** 23 **Against Defendants**

24 39. Microsoft realleges, and incorporates by this reference, each and every allegation  
25 set forth in paragraphs 1 through 38, inclusive.

26 40. Microsoft has designed distinctive and aesthetically pleasing displays, logos,  
27 icons, graphic images, and packaging (collectively, "Microsoft visual designs") for its software.  
28

1           41. Defendants' wrongful conduct includes the use, advertising, marketing, offering,  
2 or distribution of "imitation visual designs," specifically displays, logos, icons, graphic designs,  
3 and/or packaging virtually indistinguishable from Microsoft visual designs. Defendants' use,  
4 advertising, marketing, offering, or distribution of imitation visual designs constitutes (a) false  
5 designation of origin, (b) false description, and (c) false representation that the imitation visual  
6 images originate from or are authorized by Microsoft, all in violation of § 43(a) of the Lanham  
7 Trademark Act, set forth at 15 U.S.C. § 1125(a).

8           42. Upon information and belief, Defendants used, advertised, marketed, offered, or  
9 distributed imitation visual designs with the willful and calculated purposes of misleading,  
10 deceiving, or confusing customers and the public as to the origin and authenticity of the imitation  
11 visual designs and of trading upon Microsoft's goodwill and business reputation.

12           43. Defendants' use, advertising, marketing, offering, and distribution of imitation  
13 visual designs are likely to continue unless restrained and enjoined.

14           44. As a result of Defendants' use, marketing, offering, and distribution of imitation  
15 visual designs, Microsoft has suffered and will continue to suffer damage and losses, including,  
16 but not limited to, irreparable injury to its business reputation and goodwill. Microsoft is entitled  
17 to injunctive relief and to an order compelling the impounding of all imitation visual designs  
18 being used, offered, marketed, or distributed by Defendants. Microsoft has no adequate remedy  
19 at law for Defendants' wrongful conduct because, among other things, (a) Microsoft's visual  
20 designs are unique and valuable property which have no readily determinable market value, (b)  
21 Defendants' use, marketing, or distribution of imitation visual designs constitutes harm to  
22 Microsoft's business reputation and goodwill such that Microsoft could not be made whole by  
23 any monetary award, and (c) Defendants' wrongful conduct, and the resulting damage to  
24 Microsoft, is continuing.
